This matter is before the Court on plaintiff's motion to extend deadline for expert witness reports (Filing No. 49), which was filed on June 1, 2007. The Court has previously approved extensions of time from May 1, 2007, to June 1, 2007, for the production of such reports. Plaintiff's motion seeks an extension to June 8, 2007. Also before the Court is defendant's brief in opposition to plaintiff's motion to extend (Filing No. 52) filed June 11, 2007. As of that date, the required reports had not been served on the defendant. The Court finds that plaintiff's motion should be denied. Accordingly,

IT IS ORDERED that plaintiff's motion to extend deadline for expert witness reports is denied.

DATED this 12th day of June, 2007.
